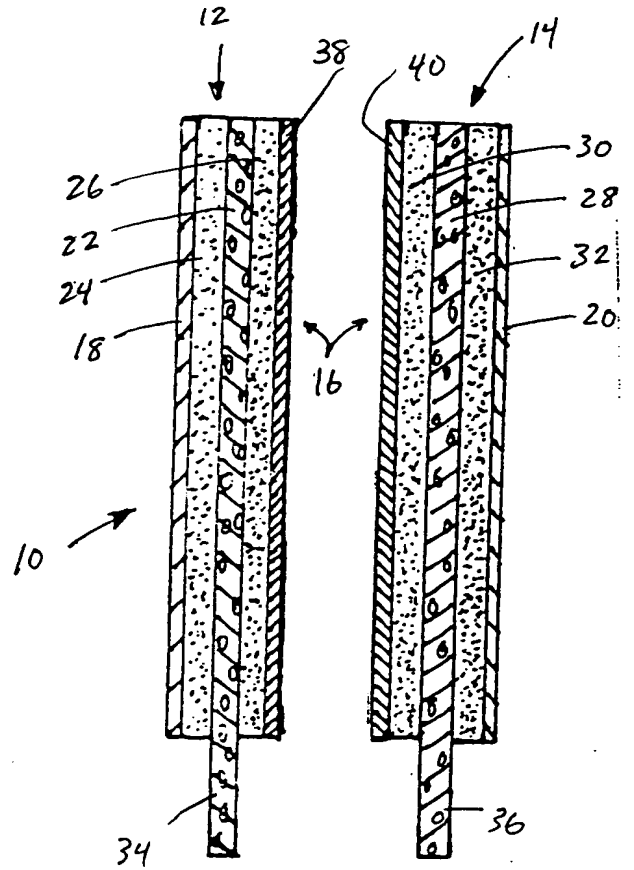

FIG. 4

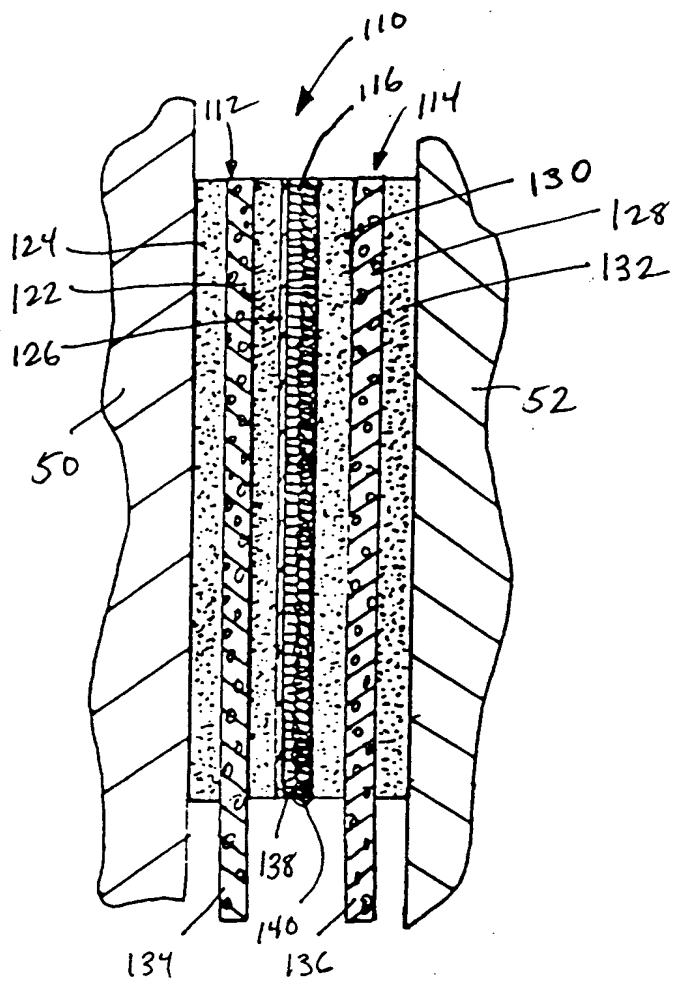

FIG. 5

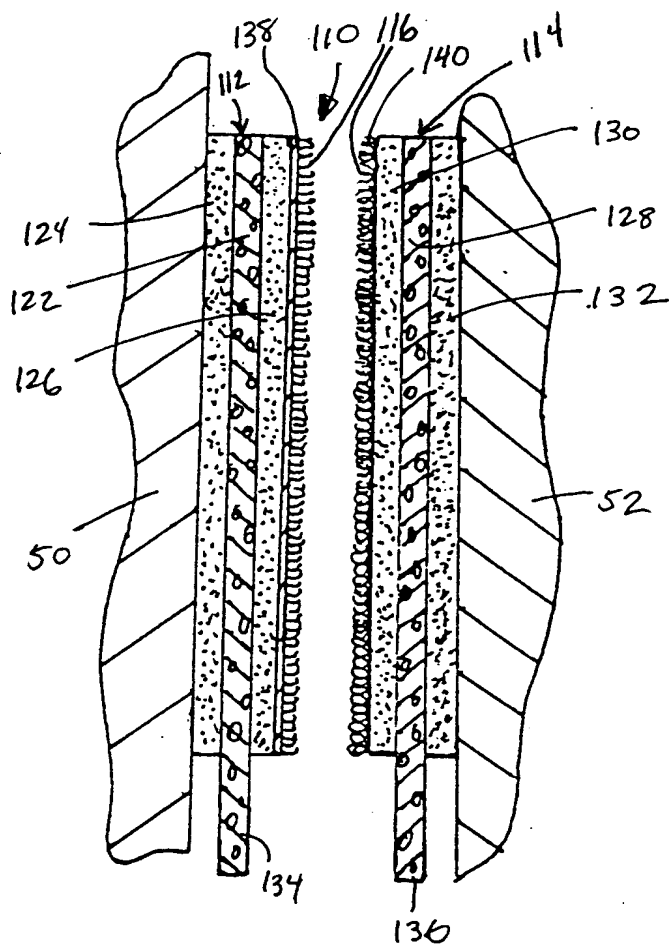

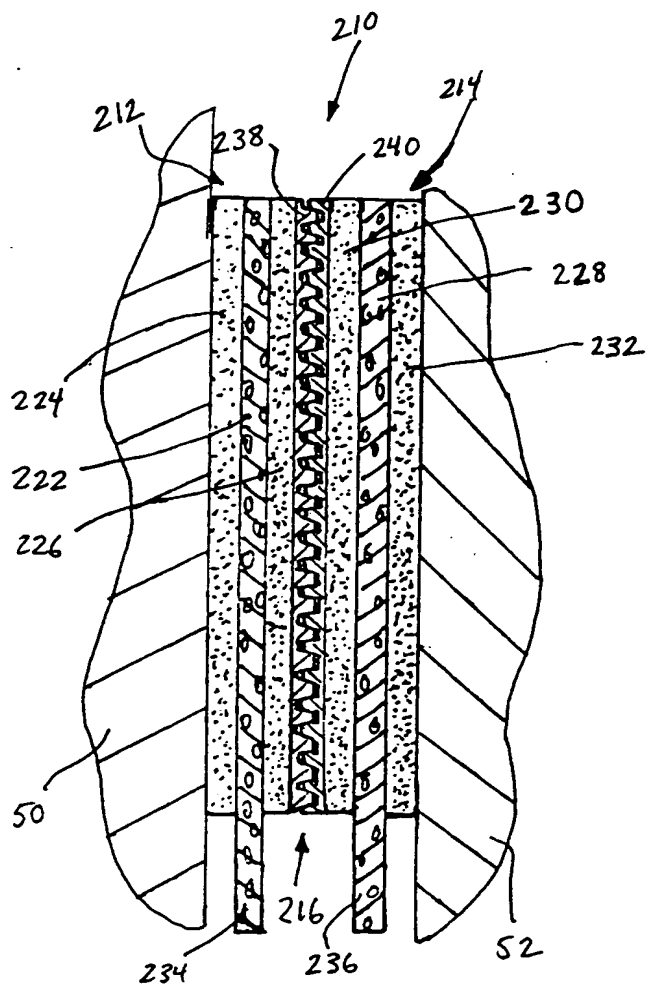

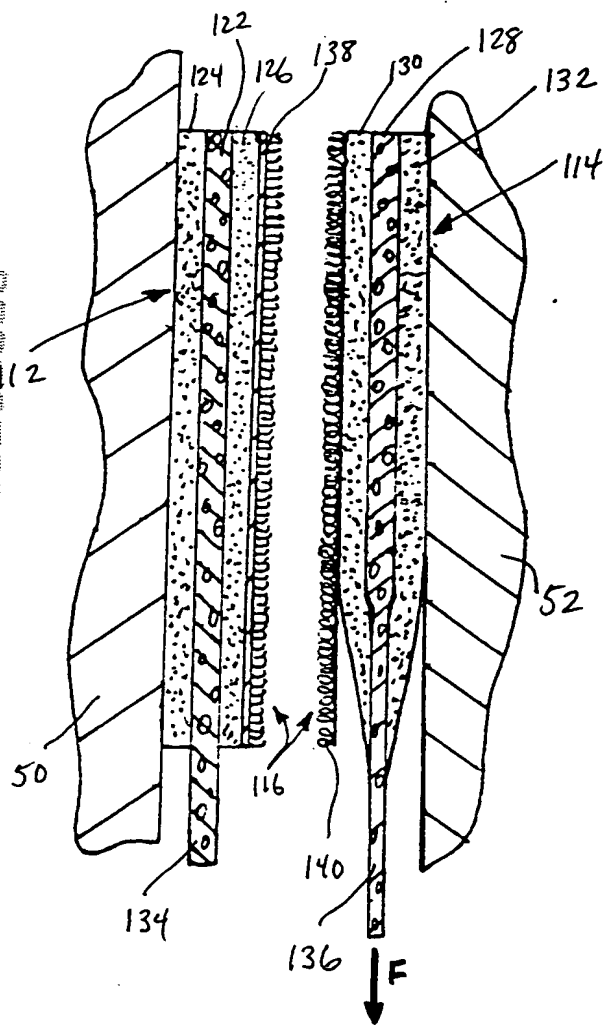

FIG. 6

A cross-sectional view of a multi-layered structure. A central core (422) is composed of alternating layers of a material with a circular pattern (426) and a dotted pattern (424). This core is flanked by solid layers (452). On the left, a wavy outer layer (450) is shown. An arrow (412) points to the top surface of the central core. A label (434) points to the bottom edge of the central core.
